YUM! Restaurant Reviews

QUINOA CORNER

175 PLEASANT ST.

Carlota

Quinoa Corner is my latest discovery! This international food restaurant has everything: delicious steak, hamburgers, Mexican enchiladas, Mediterranean salads, and vegetarian and vegan dishes, too. When I was there last Saturday, I ordered a grilled salmon with baby asparagus and a baked potato. Delicious! And the atmosphere is wonderful. The servers are dressed as cowboys and cowgirls. Every hour they do a square dance and sing a song for the diners. I love this place!

Luka

Last Sunday I took my wife to Quinoa Corner. I had sushi with rice and a cucumber salad. My wife had lamb curry with spicy vegetables and garlic bread. For dessert we both had chocolate cake. The sushi was quite good, although the salad was not as fresh as I'd like. My wife said that her curry was delicious, but that the vegetables were a little too salty. And I thought the servers were kind of silly. Despite those problems, we still recommend this restaurant.

Adam

For dinner last Thursday, I visited Quinoa Corner for the first time. I ordered the quinoa burger and an almond milkshake. They served me a real hamburger! While I was trying to explain the mistake to my server, she stepped away and began to dance and sing with the other "cowboys"! It took another half hour before my quinoa burger got to the table. When it did, it was cold, bland, and greasy! I do not recommend this restaurant.
